

BOSTON HERALD endorses Tim Hempton
for State Representative
– Boston Herald Editorial Board, 10/28/14

“In the 12th Norfolk district, Republican **Tim Hempton** hopes to retire incumbent Rep. John Rogers — and the voters should help him do so. Rogers lost his clout when he lost the race for speaker to DeLeo a few years back. Hempton, a periodontist from Walpole who cites his experience as a small business owner and his desire to restore integrity to the Legislature, insists it’s time for a fresh start — and he’s right.”
